

Evelyn Alice Kannel

May 5, 1935 - January 3, 2021

Evelyn Alice Hale Kannel died at home on Sunday January 3, 2021 at 85 years old. She had fought the good fight and it was time to be called home and reunited with her husband Casper Kannel Jr whom she had missed since his passing in 1999..

Evelyn was born in Bay City, Oregon on May 5, 1935, the daughter of Murray Nelson Hale and Mary Ruth Kodad Hale. She later moved with her family to San Francisco where she met and married her husband Casper Kannel Jr on October 16, 1957. They each had a child from previous marriages and three more children were born to them from their union. While a blended family, we were never aware of any differences between us.

In 1969 our family moved from California to Bartlesville, Oklahoma where we lived for three years before moving to London, England for a 5 year stint courtesy of Phillips Petroleum Company. In 1977 it was needed to move back to Bartlesville where Evelyn lived for the next 43 years as wife, mother, and homemaker.

The years went by and her nest emptied little by little until it was just her and our dad left to enjoy their remaining years together traveling the country on bus tours and enjoying time with their children and grandchildren. After 42 years of marriage, Dad preceded her in death on September 24, 1999. Now

on her own, Evelyn spent her time crafting and had a special ministry of taking care of elderly neighbors around her whom she had befriended years before. She never felt alone as she kept busy with family and friends traveling to craft classes, visiting family outside of Oklahoma, and pursuing other fun adventures.

About 10 years ago she found a spiritual family in the congregation of Rose Hill Baptist Church where she enjoyed worship, Bible studies, and fellowship with her friends there.

Evelyn was preceded in death by her husband Casper, son Michael, parents Nelson and Ruth, brothers Earl and Ed, and sister Eleanor.

She leaves behind a brother, Eugene, and his wife Fran, and her sister Ellen. Her

daughter-in-law Trace, daughter Verna, son David and his wife Icy, Alice and her husband Mike, son Daniel,. Grandchildren Rachel, Kevin, John, Samantha, Nicholas and his wife Melody, Jody and her husband Afshar, Stuart and his wife Kathryn, Matthew and his fiancée Kayla, Jeffrey, Christopher and his wife Jenny, Stephen, Joseph, Margaret, Katherine and Rebecca Great grandchildren Mireya, Savanna, Lola, Shanay, Christopher, Alissa, and Angelica.

Great-great-grandchildren Hannah, Aynsley, Jackson and Grayson. And many nieces, nephews, family and friends.

Our family would like to extend our deepest gratitude to Comforting Hands Hospice for helping Mom to transition from death to everlasting life and for comforting us in our sorrow. Every person we met was caring and kind and made the last week of Mom's life a little bit easier.

In lieu of flowers please send donations to Comforting Hands Hospice, the

American Heart Association or another charity of your choice in her name as a remembrance.

“ *My childhood memory of Aunt Evelyn is as the smiling wife of my Dad's brother Cappy, My much later memories come from her Christmas letters, always positive and interested and kind.*

Evelyn was my Grandma,... I'm the youngest of the 4 children, from Verna, Evelyn's 2nd oldest... Grandma and my Mom and I, did crafts together for the last 8 years!, I'm going to miss her cards, with little letters in them for each Holiday...

“ My memory of your mom is going round to your house in London and ending up staying for dinner with your family. She would always say, "If you leave this table hungry, it's your own damn fault"!!! She was a GREAT lady!

Ha 😂 Ha 😂 She still said that, til the day she passed! My Mom said it to us kids and our friend and other family,... And I find myself saying the same thing to family and friends that come over! 😂

“ I will always remember Aunt Babe (Evelyn).
She was the most creative person always sewing crocheting either hats, to pot holders. I remember she was a happy lady always smiling.
I know she is with all those who went before her.
She wrote the best letters always had a lot to say. I looked forward to her cards.
I can only imagine that now Her and Uncle Cap are now reunited and holding hands.
She will be missed.
Bless you all

Evelyn was a very loving and creative lady! I loved how she shared her many talents and her caring heart. I always got a great big hug upon seeing her and Verna. I enjoyed our lunches and sharing about our family and friends. May you Rest In Peace, Evelyn! I miss you already and will always save a seat for you at card classes. Big hugs Sweetie!

It would so hard to tell you all the good times we had with Evelyn. We came out and stayed with her twice. She came to Washington and stayed with us twice. She was the most special person in her brother Gene's life. He could call on the phone and they would talk recipes he would sent ones he liked and she would send him ones she liked. She will be missed by us the phone calls every month. Hearing her voice and laughter. Getting her special cards. We loved a very much
