“ *I met Evon when I would visit my Mother, Audrey, at the nursing home.
She was so kind to my Mother and my sister and I.
I enjoyed hearing her stories about her baking!
I can see how she touched a lot of lives.
Rest in peace.

“ *Even was one of the best person's I've ever known. She was a friend to all and taught her children that way also. I was proud to be her sister-in-law. I was married to Harry's youngest brother.*

“ I’ve known Evon since I was a little girl, visiting her store with my grandparents, Don and Donna Parrish. She was always smiling and always so welcoming.

It’s only been in the last 7 years that I became a part of her family... a family I am so blessed and proud to be a part of!!

Just like my childhood days, Evon welcomed me right into her family with open arms and lots of love. She absolutely adored Walker Jennings, and I am so happy to be the mother of her beloved great grandson.

She will be missed and reminisced by Waylon, myself, and our children for the rest of our lives.
