“ I will always remember Max and her vibrancy and warmth. I miss her at our doors talking across the street to eachother. I will miss her encouraging words of wisdom. I will miss watching her designing jewelry, designing quilts, and great recipes. She was so amazingly talented at anything she put her mind to. Though it hurts deeply not to see her everyday i know that one day all of us will see her again in a place of paradise. There are no tears on earth that heaven can not heal.

“ *Though we never met, Max and I were phone friends for many years. She was a remarkable soul who was loving, kind, wise, funny, and spiritually deep. I can only imagine how much her family will miss her. I know I sure will. Godspeed to Max, until we meet again on the shores of a better world!*

“ *I knew Maxine through the graduate program. She truly was a beautiful soul. Maxine and I shared many evening talks. Even though she was in Oklahoma and I'm in New Mexico we became fast friends. I will miss the laughs we shared together as well as her kind heart. You will be missed Maxine.*
