May 23, 1947 - October 29, 2023

Genevieve Reed, 76, of Bartlesville, Oklahoma, died at The Journey Home on October 29, 2023. She was born in LA, California, on May 23, 1947, to Ralph Kentner and Dorothy Fenner.

Gen spent most of her life in Oregon, California, and Bartlesville. She has three siblings – Gloria Quinn (Pat Quinn), Gene Kentner, and Gerladine Sharp (Dewayne Sharp).

Gen was very sweet, kind, loving, and always wanted to make everyone happy.

Gen met and married the love of her life in 1976, and they were married for 44 years. They knew each other for a few years before that and she wanted to make sure he was the right one since she had three young children. Gen and Everett moved to Bartlesville, OK, in 1983, and have resided here ever since. They had three daughters – Christina Mitchell (Robert Mitchell), Cheryl Lea (Richard Lea) and Carol Reed. Grandchildren – Jennifer Snow (Chris Snow), Lyle Webb (Katie Webb), Rebecca Webb (Rayne), Misty Duffield, and Crysta Bunn (Chance Bunn). She had 10 great-grandchildren. She lived with her

daughter Cheryl after the passing of her husband in September 2020.

She is preceded in death by father Ralph, her mother Dorothy, her husband Everett, her sister Geraldine, and her brother Gene

.

She was a devoted wife, mother, grandmother, and great-grandmother. She was very close to her family. She worked for Western Sizzlin' for 10 years before they closed down. She then worked for Burger Hop until she retired. She worked in the garden that her and our father grew in their backyard. She loved to play bingo every Monday night. During the last two years of her life, she was able to travel to new places and spend time with her family. Family was the most important thing to her.

We love you with all our hearts and you will be greatly missed.

Instead of flowers and plants, please donate to The Journey Home. They took care of mom until the end.

“ I worked with Gen at Western Sizzlin' when I was in high school. She was one of my (and probably everyone else's) favorites there.
