“ George was an awesome husband; one in a million. I will always love him. He was and still is so very special to me.

“ George is the BEST brother-in-law anyone could ever ask for. He was caring and loving. We will miss him but, we know one day we will see him again!
He will always be my brother George!

“ I wasn't given an opportunity to get to know George. But the one fact I learned very quickly is how much he loved his wife Shelia and how he hoped to take care of her in the future. George and Shelia purchased my home in Oak Park in late December so that Shelia would have family near after he passed. I can't imagine a more loving and caring man than one who would use his last days on earth to help his wife after he passed. George was indeed a very loving and caring man. May he be at peace.
