“ I'm so sorry to hear of this. My parents knew George (and Laura) from when they first came to Bartlesville. He and my dad played poker together. I will always remember his smile and twinkle in his eyes. I loved going to the OBrien house as a kid. I hope good memories of him will help you all.

“ I didn't know George real well, or for very long, just for the four or five years we volunteered together in the pantry at Mary Martha Outreach. He always had a grin on his face and a twinkle in his eye, if he had been a smaller man, he would have made a great leprechaun!!  
My favorite memory of George is as benevolent rebel. Due to limited quantities, the pantry manager at MMO would always post a limit of the particular food items that could be given out. As George would come down the line filling a basket for a needy client, he would look at these notes, look around to see if anyone was watching (I don't think it would have mattered to him if anyone was), then pull two or three times the limit off the shelf and put it in his basket. We're all going to miss ya, George!

“ George was loyal, giving friend and a special blessing to anyone who knew him. He and my dad played golf several times each week for many years. When my dad developed dementia and couldn't drive anymore, George would pick him up for their golf game and/or bring him home at least once a week. George will always have a special place in my heart. *Pam Proctor Eldridge.*

“ to all of the family....we are so sorry for your loss. May your memories and God's love bring you peace, comfort and strength at this difficult time. Death takes the body. God takes the soul. Our mind holds the memories. Our heart keeps the love. Our faith lets us know we will meet again
