May 5, 1979 - November 2, 2016

George Leon Oliver, 37, left this world to be with his Lord and Savior on Wednesday, November 2, 2016 at 9:04 pm. George was many things to many people. He was a loving and devoted husband and father, a wonderful son, a gracious brother and friend.

George was loved by many. George was employed with VOA and took amazing care of his clients who have developmental disabilities, which sometimes is no easy task. George is the most compassionate and kindhearted person. This GREAT man not only helped others daily, but continued to help other's by donating his organs to save other's. AMAZING!! George was a very intelligent man and was a published poet, a wonderful cook, an artist, a craftsman, and enjoyed writing programs on the computer. He was a fast learner and he loved to teach people new things to help improve their day to day life. The lives he has touched, and the memories he made are endless. George met his wife Jennifer and they were married in Salem, Illinois on November 7, 2009. They made their home in Bartlesville and he was a member of Eastern Heights Baptist Church. George and Jennifer had their share of trials and tribulations, but they held on strong and pulled through some hard times.

George leaves many friends and family members behind that can't wait to see him again. He is survived by his wife Jennifer Oliver, 6 children Michael Rummel, Jazmyne Oliver, Brittanie Rummel, Maggie Oliver, Alysa Rummel, & Livie Griggs his parents Robert & Mary Craver, Teresa Pedigo &
