“ Georgia is known as sweet Georgia but also generous Georgia. Our world changed when she introduced our family to the world of French bulldogs. She gave me one of her favorite dogs Comanche Moonshine. I told her I was going to call him Comanche and she told me she calls him Biscuit. And that is the way it remains. Last week when I was texting her I told her Biscuit was now a nurse for my husband who has Parkinson Disease. She sent a message back sending her love to Paul and Biscuit. and thanked all our family and friends for praying for her. I consider her a rodeo queen but most of all my sister in Christ.

One time Georgia gave me my first French bulldog who had a bad reputation for being aggressive. As time went by she came out to be a very sweet dog. She now is buried in our backyard with an Oklahoma rosebush by her grave.

We will meet again in eternity Georgia!

*I love this!*

Georgia was so generous and loved her savior Jesus Christ❤️ She invited Russell & I to come to church with her & we felt all their love and they welcomed us and sharing& teaching God's word with us. Georgia was determined to make sure Russell was saved (with his dementia he couldn't remember if he had accepted Jesus Christ as his savior) and so he wanted to make sure he would be with Jesus & his loved ones and Bro Bill talked with Russell & praise the Lord! He knows now without a doubt that he is saved thank you Georgia for being so insistent! Until we meet again ...We Love you❤️
