“ *She was the Kindest and most loving soul that ever walked this world. She knew how to shoot a gun, pull catfish out of the river bottom, and would sacrifice everything if it meant her children could have the chance to succeed in life. I miss her to this day and Heaven gained a Beautiful Angel. I love you Mom. Give Dad a big hug and kiss for me. I wish I was there with you. Maybe someday soon. Love Always. dh*

“ *I remember Mom used to talk about when she worked for the Ma Bell and Dad worked at the City of Glendale. We loved the ride to Texas for holidays to visit our Grandparents. We learned to live off the land and be thankful for our blessings.*
