“ Dear Jim and family,
I first met Gloria working at FNB in the early '60s. She was a a delightful and lovely coworker and I know she will be missed by many.

During a time like this you realize how much your family and friends really mean to you. Nothing is harder than to lose someone you love. Perhaps their greater purpose is to love us from above. Please know that those we love never die, for as long as we live and remember, they are with us.

Cherish the wonderful memories you all have shared as they will forever be a part of your life. I have no words to soften the pain all of you must be feeling now. Just know that I care and may your spirit be touched by the love that surrounds you and slowly may the healing begin.

“ *Gloria was one of my first friends when I moved to Barlesville in 1953. She welcomed me to First Assembly of God and remained my friend through high school. She also helped me get on at First National Bank after graduation. We moved and lost touch, but she will always be remembered with fondness. Jim, we will be remembering you and family in prayer.*

“ What precious, sweet memories I have of growing up around this fantastic lady. As close as cousins can be and so honored to be related. Joanna and I both loved her so much and our hearts are so saddened at her passing. Jim, we love you so very much too. Our thoughts and deepest prayers are with you. Our love and prayers go out to your wonderful boys and extended family.

“ Oh my Gloria!!! What a beautiful friend God gave me way back in 1961. Will never forget our year as room mates, along with dear Shirley. Oh what a time we had!! Gloria and I stood in front of Shirley's casket back in early 2000 sharing together that threesome for the last time. Gloria and I have talked by phone but have not been together. Still, she has ever left my heart and her 'going home" touched me so deeply. Oh, I can almost feel her spirit and Shirley's together in Heaven. I look forward to joining them one of these days. May God give peace to Jim and to the family.
