“ *Oh how I'm going to miss Grace!  
At VOM I remember her being referred to as "our daily Grace" because she was a friendly, peaceful, spunky, and godly woman we could all look up to! Grace was always ready to laugh, and always cracked us up with her comments about life and how she was feeling.*

*I've treasured a collection of letters from her over the last nine years, and in every one of them she would remind me to keep looking to Jesus.*

*Grace was a very special person, a wonderful listener, and a great friend. I really miss her!!! I can only imagine how her children are feeling. Thinking of you all!*

“ Grace was a beautiful lady who loved Jesus and served Him well. She was our pastor’s wife in the St Louis Wesleyan Church and was gracious and kind to our family. She and Marvin loved their congregation. My family and I have many fond memories of our time there. Blessings to the Moberly family.

“ Rich, I never got to know your Mom, but knowing you and what you are made of speak so highly of her (and your Dad). She was obviously a pillar of that Greatest Generation who poured all she had into her family and community as a response to her relationship to Christ. What an honor to grow in the soil of Godly parents. Thank you, Lord -- for Grace Moberly!
