“ *I have so many good memories of Guyla! We always had a great time! Usually it was Guyla, Carla, Merrienne Smith , Bonnie, and myself! The stories I could tell! I have missed her since she moved! Remember when her mother died and she came back here and stayed with me and I helped her with that and cleaning out her mother's apartment! In fact I still have several things that were her mother's that she gave to me. Nothing of great monetary value but they mean a lot to me! One of my favorite memory is of her dad teaching me how to twirl spaghetti using a spoon and fork! I always use that method to this day! I pray that she has found peace. And if her and Carla are together heaven is in for a treat!!! 😊*

“ *My sister was a kind soul who tied her best to see the good and positive in everyone she knew. We weren't a close as some I suppose due to the nature of our family history. I am shocked and dismayed she didn't communicate much with me. I feel more lonely than I have ever felt. Love and kisses to my sister.*
