“ *Gwen was my best friend. Idk how many phone calls we had where she would listen to me talk and cry about losing our daughter Tallie and she would talk about her precious son, Tommy. She was such a beautiful, Christian, woman that I admired and strived to be like. I will miss her dearly but I know she's rejoicing in Heaven with Jesus*

“ One of the best memories I have of Gwen was when Gwenda and I would ride with them to rodeos or wherever... it didn't matter where we were going, Gwen would climb up in that truck and ride in the middle seat right next to her love. I remember thinking back then, “I hope I do this with my husband when we are their age.” I still ride in that seat with mine and think of that sweet memory often. My prayers are with the family in this time and for the days to follow.
