“ Harley Haddock was one of the very few I encountered at Hillcrest Country Club that I was truly happy to see. He was a respectful gentleman. After I left Hillcrest, Harley made a point for he and Beverly to come see me at Players Sports Pub. He told me. "Kid I not for sure what happened but we on your side." Pure love. I melt every time I recall that encounter. Rest in peace Harley, you are a fantastic man.

“ To Gene and Beverly's children

I am so sorry about your father's death. I would really love to visit with you by phone sometime if possible. Gene and I are second cousins. I grew up in Barnsdall and spent time with him when we were young. I could not come to the service. I live in Wichita and could not make it to Barnsdall that morning. If you would like maybe we could visit. We have a background with Beverly as well. The last time I saw Gene was about 15 years ago at Big Heart Day on main street. Stumpff Funeral Home will not give out any information on how to reach you. My phone number 316 838 6862 I am not on facebook kbut my daughter is. I know most people are these days! My name is Mary Bridgeford Graham. I would love to visit with you if you would like. Hopefully we can sometime. If not please accept my condolences I really miss him and his memories. Very sweet person.

Sincerely,

Mary
