“ Jason your dad was an amazing man. The times I got to take him to his doctors appointments meant the world to me. I loved hearing his stories, they were fascinating. The people he knew and the places he played are too many to mention. I see where you get your talent from. I'm going to miss our morning chats on Facebook, and his weather reports. I am blessed to have known him and it was my honor. I have lost a dear friend and the Oklahoma Hills have lost an amazing man. God Bless You All. From the Lynch Family.
