“ *Hugh Farmer was a great friend to the town of Lago Vista Texas. He helped bring curbside recycling to the town in the early 90's, and to bring a public pool to the town in the early 2000's. I was honored to serve with him on the founding board of Keep Lago Beautiful and on the City Council. He will be missed but his legacy lives on. My deepest condolences to Glenna. I'm including pictures of the ground breaking ceremony at the public pool site. With Love, Anne Ochoa.*
