“ *I was sadden to hear of the passing of Janine...We grew up together and lived on same street in Dewey...The Russell family was our extended family.....I remember so many things about her but the one thing I remember the most was her in high school running track....She was the fastest person out there and no matter how much any one tried you could NEVER catch her... She will be missed..To the family, Keep trusting in God as he never makes any mistake. Praying for your strength and comfort in this difficult time.*
