“ *Jeanne was a grand lady I always enjoyed visiting with her at the POB guard desk. We could talk for hours about our kids & grand-kids. She ran a neat & organized desk she would notice if anything was out of place I admired her for that. Jeanne was never afraid to speak her mind either. She loved taking care of her cattle as long as she could to. I am sure she will be missed by all of you. Keeping you in our prayers.*
