“ *Ira was definitely a kindred spirit. No matter where you were or how you felt, he brought a smile to your face. Between bowling at Red Apple, the crazy times in Springfield, watching him DJ my sister's wedding, or just running into him in town, I am thankful for all the memories I have of him. He was a great person who was taken much to soon. Many thoughts and prayers to Lisa and to Ira's family during this very difficult time. He will be deeply missed by all who knew him and loved him.*

“ *My heart goes out to Ira's family. I just recently became a part of this family and have met Ira one time. He was very confident and had a smile on the whole time. Angela has told me alot about him and from her discription he must have been a very happy person. She said he always had a way to make every one smile around him. Shirley also told me that he and Tony would dance even after everyone else was passed out. His life will be dearly missed by alot of people. My deepest sympathy to the family and friends of Ira. Anything you need please get in contact with me.*
