“ I got to know Kay through church in Bartlesville. She then became a client when I started cutting her hair. She was so supportive when I had an illness years ago & I'll never forget her enthusiasm & energy for life. Prayers coming for your family. ❤️✝️🙏

“ Kay and I were friends in nurses training at St Mary's. she invited me to her home one weekend and we had such fun. Her family was so friendly. I remember driving a car around a field, a first for me. God blessed Kay with a long and happy marriage and family. I will pray for you all during this time. God Bless.
