“ *When my Grandfather passed I never even thought about looking this page up and now that I see I can still leave a memory I am.. My Grandfather was so many wonderful things words could never explain how amazing and loving he really was .. and as tough as they come in the good ways.. I always appreciated and loved him but as I got older and as he got sicker I learned even more about him.. I learned how much of a Father he truly was to me.. how the day I was born his entire life changed .. him and Grandma Maxine .. cared and loved for me.. and never looked back.. they made sure I had everything a child should have.. They taught me the very meaning of Family .. and it prepared me for very hard things in the future.. I am Forever grateful and I love them Forever as well... anyone who ever reads this if you have pictures or memories of my grandfather please look me up on Facebook or email me at brandy mcclarnon@yahoo.com hopefully you will be able to see the email if not just look up my name on Facebook.. “ Great memories of Jack from 1968 and forward. He was a mentor at Cities Service and a friend always. We had a relative in common in Blackwell, and mutual interest in classic cars. I will miss passing his home and not seeing him. RIP "Jack".

“ *Jack was a very funny uncle. My mother, Betty's baby brother. Last of 8 kids, and all good ones. The Mc's are dwindling just like the Gile's. Only (1) left out of the 14 Gile's. Our hearts go out to family. We will see you Tuesday. Steve and Wayne Gile*
