“ My Dad and Jack have been friends for over fifty years both owned trucking businesses so it was just natural that we spent time as families together going on vacation together, many nights at each other's house visiting when growing up. I know my Dad (E.C. Coleman) will miss Jack greatly and my sincere condolences are with Georgia, Joe, Gary, Lisa and family during this time. Love you all!

“ Jack was a fixed figure for our Road maintenance east of town in the Woodland Meadows addition. We could always rely on Jack to not only bring what we needed, based on his sage advice, when he was done very little, if any, grading was necessary after he spread his load of gravel. In the few times I had the honor to speak with him, not in regard to the work at hand, I found him to be a great person, family-oriented, and just a good person. Jack will be missed. Not only for his expertise, but for the wonderful person he was. Rest in Peace, Jack. We miss you.
