“ *I am so sorry for your loss. I did not know Mr. Lanphear, but I was moved to leave a message after reading of him. May you find comfort in family and friends (Proverbs 17:17). For additional comfort, may you find it in God who cares for you (1 Peter 5:7). Please accept my deepest condolences.*

“ Vincent and Dana,

We are so very sorry for this tremendous loss to you and your family and to all Jake's friends. The time he spent with us in Missouri was full of Cole and him laughing, working out, laughing, going to rodeos, laughing, doing a lot of work like baling hay and more laughing. Jake laughed even when we kidded him about things like him roping our donkey and being drug halfway across the pasture. He just didn't want to give up and let go. He was a joy to have around.

Praying for peace in your hearts.

Sincerely,

*Butch and Linda Bass*

Dear jake...your passing is way to early for such an ambitious and loved friend to a lot of people of any and all ages. It's good to know that you can now become so many friends's guardian angel. You are now and will always be missed and loved and never ever forgotten

Dana and Vincent I am so sorry for the loss of Jake. Watching him grow up there was never a doubt how proud you both were of him and his love for you both. His smile, laugh, confident and onry personality I will always remember. You could be having such a bad day and he would just take that away, he wouldn't allow nothing but the people he loved and cared about to be happy. I can still see him as that little boy playing baseball and football and being sure everyone was ready to play some Panther ball! Heaven is truly going to have an Angel.

*Dana & Vincent, Sorry to hear of the loss of your son Jake. Only met him the one time but he impressed me as a very happy go lucky young man who loved life and lived it to the fullest. Tell your mom we are so sorry for the loss of her grandson. We miss seeing you around Paradise Valley. We still go a couple of months out of the year. Sorry you never made it back. Prayers to you and turn to God when things don't seem to be right. He is always there for you. Mary & Luther Potts*
