“ Fred I will miss you very much. We have had some fun times and I have a lot of happy memories of trips, vacations, and just hanging out at cabin. One of my favorite memories is when I met you for first time , you asked me what was my favorite piece of chicken and I said I liked the white meat. You said OK Then you asked me how I liked my steak cooked and I said " just brand the cow and that's done enough" you grinned and said "well you might make it around here" I still smile when I think about that.

I soon learned that you liked to leave early for whatever the occasion; I was always scrambling around trying to be ready. That's how you left us this week sooner than anyone thought and like always I wasn't ready. I will miss you. When I make it up your way I'm bringing my boots and we will have Mr. Bob Wills play us some Milk Cow Blues and have us a 2-step! Love, Leann
