“ *In 1956 when I started to work at Phillips Petroleum Co., Jim trained me (and Max Hailey) to replace him on the "House Rent" job in the Oil and Gas Accounting Section. After a few days of training, he moved on to another job. We had a special relationship since we belonged to the same church. Sometime shortly after beginning employment, Bartlesville had a big hail storm and I had to replace my roof. Jim came over and helped me on that job. We haven't stayed in close enough touch since he moved to Houston and back but I have always had a lot of respect for Jim and his family. He will be missed. Georgia and I give our love and prayers for the family.*

“ We knew Jim for quite a few years. I remember when Jim and Manon were married and when Stan was born. Stan and our son Scott were born about 5 days apart. We of course remember Jim, Manon and Stan from church both at 6th and Dewey Church of Christ and later Adams Blvd. Church of Christ. Most recently I used to see Jim at Walmart grocery shopping. He will be missed.

“ Jim was a special person and he and Manon were a special couple. We come to Adams Blvd in 2002 with a job transfer. Jim was so welcoming to us. He always greeted us at church and wanted to know how we were doing and settling in and all. I'll never forget that. What a blessing Jim was and Manon is. We were glad to have known him.
