“ *I worked with Jim at PPCo and we played a lot of golf and some poker. He was a hoot to be around and we never believed his stories about his athletic prowess and foot speed until each of his kids turned out to be great athletes. His nickname was 'Gunner' and I can share that story with the boys but not here. He was the last of the CICS programmers and he had a nice second career. My sincere condolences to Marta and her fine family. Regards, Gary Reheis*

“ *Jim was "family of family", but he and Marta made us feel like we were a part of their family anyway. We enjoyed getting to know him and will miss his influence and friendship. Sending love and prayers to all of the Manning family.*

“ *Mr. Manning was a wonderful influence on a young naive kid from Okmulgee. I was a roommate of Jimmy's and was invited to attend the OU / UCLA game and declined because I didn't have a ticket. Neither do we but watch my Dad was Jimmy's response.*

I went and because a fast student of Mr. Manning buying and reselling tickets. I got in to watch the game and had \$80 more in my pocket than when I arrived.

He made everything he did fun, the people around him feel special and me feel I was a part of the Manning family.

I'm sorry for your loss but we all know he's in a much better place singing up a storm and probably talking to St Peter about scalping tickets! Much love and many hugs!!
