“ *Jim a boy I knew all his life and was around his Dad and Mom a lot when he was growing up in Wann and when they visited our great old friends John and Bessie our close neighbors that were like family, I haven't seen him for some time but have thought about him often, Just another one of the old timber hill area kids that are gone and seems like a little to fast, My wife and I sold him the land that he built his first house on I think. Anyway I will be thinking of his family and friends at this sad time. Charles and Maryiin Alexander.*
