

James "Tony" Anthony Parker

February 6, 1961 - September 3, 2018

On Monday September 3rd James (Tony) Anthony Parker, loving son, father, grandfather, & brother passed away at the age of 57. Tony was born February 6, 1961 in Tulsa, Ok to Jimmy and Nettie Parker. He was a graduate of Col-HI in Bartlesville, Ok. He grew up in construction working for his father's company Bartlesville Ready Mix. He then held a superintendent position in construction where he traveled all over Oklahoma for over 30 years. Was currently employed with Cherokee Builders out of Tulsa, Ok.

Tony had a passion for the outdoors. He loved to hand carve, shoot, and hunt with his traditional longbows, where won many awards at various competitions throughout Oklahoma. But more importantly teaching each of his grandchildren to shoot them. He enjoyed gardening and won various awards for this through the Washington County Fair. His love for Oklahoma Sooner's sports was undeniable and unavoidable for it was a family tradition and is passed down to this day. He enjoyed the sports of Nascar, where you could find him every Sunday in his recliner not missing a race. One of his most memorable job sites is when he oversaw foundation & asphalt work for the Nascar cars onramp at the Kansas motor speedway.

Tony was known for his love for his grandchildren Kloie & Jax as well as his family. His kind compassionate spirit heart of gold, contagious smile, and the patience of a saint. He could always find the right words to say in any moment if it be a kind word, a calming one, or something to make you smile. He will be missed and remembered by so many as he laid his make on the world and

our hearts.

Tony is preceded in death by his father Jimmy, his Grandfather & Grandmother Parker, and his Grandfather and Grandmother Grammar, and the late Rev. Jerry Grammar. He is survived by his daughter Krystal Shook & son in law Michel and two grandchildren Kloie & Jax, of Caney, Ks, his recent wife Liz Jackson Parker of Bartlesville. His mother Nettie Parker of Bartlesville, a sister Shereen and John Ross of Claremore, Ok, and brother David Parker of Bartlesville, Ok and many nephews, great nieces, aunts, uncles, and cousins.

Funeral services will be held on Friday, September 7, 2018 at 10:00 am with interment to follow at Memorial Park Cemetery.

“ Krystal, this is years late as I missed this page when first I learned of Tony's passing. We lived next door to Tony and his family when they moved to Bartlesville from Coalgate . Tony was a year younger than me and I don't remember our ages but I remember he introduced himself to me a "Woney". When I figured out he was saying Tony I saw that smile for the first time.

Tony and I were inseparable from then on as we explored Oak Park, fished the ponds across Sunset Road and got into a LOT of trouble together. We loved shooting our bows in each others back yards. I remember Tony won a second place medal in a city wide archery tournament and his proud smile when he brought it over to show me.

I moved away after 6th grade and we remained friends as well as we could from a hundred miles away without cell phones and internet. The last time I saw him we were in high school and he drove me around in his first truck, a Ford from our grade school era.

I was indeed sorry to learn of his passing as I had tried unsuccessfully to locate him over the years after we had lost touch. When I finally succeeded it was his obituary I had located. I am sure he would have laughed at me if he knew. I will cherish the memories of the fist fights, races, fishing trips, football games, tree climbing, bows, arrows, BB guns and our moms standing next to one another on the sidewalk waiting on us to finally ride home on a single bike for some well deserved punishment. Tony was my first best friend.

“ My heartfelt sympathies to all of Tony's family. I remember him from Col-Hi although I can't recall off hand if we had a class together, he graduated after me, but I remember him as he was always smiling and happy as he walked along with his good friends in the hallways. He will be remembered as a great person because of his personality. I hope he realizes all of us who remember him from school, will remember him always. He was truly blessed. God bless his soul.
