“ Kay and family- I am so sorry to learn of Ernie's passing. I first knew Ernie when he was living in an apartment building on the 700 block of Osage-2 houses down from my aunt. The next time he had joined the Wilkie Sunset Country Club where he was a member for many years, I have so many memories of Ernie and Kay through the years at Sunset. I shall always remember Ernie as being a friendly outgoing person- always laughing and smiling. He really enjoyed golfing. My thoughts are with you at this time,

Sandy Wilkie Barlow-the last living Wilkie of the original Sunset Country Club.

Duane Benbrook and family are so sorry to hear of Ernie's passing. I worked with Ernie several times during my 41 years at Phillips. He was one of the most energetic people I ever met. I remember helping him move a refrigerator during the time he was moving to his new home in Grove. May the Good Lord bless and comfort his family during this difficult time.
