“ James was a special man, from the moment we meet him we made a dear friend for life. We are both so saddened by his passing and pray for his Family.

We remember so much about him from the first day he arrived at Tallgrass Estates, we were the managers at the time and he was the kind of resident that made your job very simple. Mike remembers when he had that Hugh TV installed in his studio apartment, I've never stopped hearing about how that TV took up that entire wall! After hours Mike would sometimes go watch TV with him. Every time we purchase a new TV, he always says I want this one! The answer is always no! But, we are very blessed to have known such a great man of God.

“ James was a sweet, kind, gentle man. I'm sure going to miss seeing "onery" every morning at breakfast time. I'll be praying for your family.
