

Jane DeRosa

July 1, 1933 - November 3, 2017

Jane DeRosa was born in Bristow, Oklahoma, the second daughter of Robert Lee and Edna Marie Hendrickson. God gave the world this beautiful gift July 1, 1933 and the world returned her to Him on November 3, 2017. She married Louis Robert DeRosa on October 29, 1954. Out of this union, came two children, Gina and Mike.

Jane was a kind and loving woman and anyone who knew her could feel her genuine love and sincerity. She was raised with wholesome Christian values and church was a big part of life; you treated others the way you wanted to be treated and your word was as good as gold. She instilled these values and her deep love of God in her children and grandchildren.

She spent most of her life in Bartlesville, graduating from College High School in 1951. Following graduation, Jane completed courses at Bartlesville Business College and began her career at Phillips Petroleum Company as a legal secretary, retiring after 42 years. A very beautiful woman, Jane was approached to model for the company and became one of their favorite models, doing several shoots and advertising campaigns for Phillip's 66 as well as other companies; one of which was the famous Marlex Plastics used for a variety of products but most notably the Hula Hoop.

Jane will be dearly missed as her light burned bright in the many hearts of those who knew and loved her. She had an endless love for her family and friends. In her final days she said, "I have had a happy and loving life and thank God for that." And I am sure she would add; may God bless and keep

you all and I will see you soon.

Jane is survived by her daughter, Gina White and husband Robert of Houston, TX, her son Michael DeRosa and wife Jennifer of Coffeyville, KS, her grandchildren Lisa Sprung, Melinda Shipley and husband Scott, Joshua and Lucas DeRosa, Drew Cormier, Courtney Emberson, two great-grandchildren Katelynn and Justin Shipley, her sister Helen Wallen, her best friend Jane Sharp and several nieces and nephews. She was preceded in death by her husband Louis DeRosa and parents Robert and Edna Hendrickson.

Funeral services will be held at the Seventh Day Adventist Church in Bartlesville on November 8th at 11:00 am, with interment to follow at Memorial Park Cemetery.

“ Dear mom, thank you for choosing to be my mom and raising me. I know not the sacrifices you made, the countless sleepless nights I brought you, but you were always there. I will miss you face, your voice, your love, your advice (even if I didn't take it). I hold your love in my heart from now until forever. May you rest in God's loving arms. A mother's love is like no other and cannot be forgotten. I was blessed to be your daughter. All my love, Gina

“ Jane was special. She was kind and loving and upbeat. She had one of those personalities that just sparkle. I could go to her and ask for advice and only then did she give it to me. She always made me feel loved and welcome. I'm so thankful for wonderful memories of my aunt Jane. Love you!

“ Some people who pass leave a large hole in your life that is impossible to fill. Jane was one of those beautiful people but thank God that she was in our life for such a long and wonderful time. Her memory however and the memories we created together will be with us all the days of our life. We are better people for having made this journey with her by our side. You will never be forgotten my favorite Aunt! Love Myron, "Your favorite nephew".

“ So sorry I wish we could have gotten together more often but I will always treasure the fun times. Your visit when I was 7 years old with the day trips into New York city are such a fond memory for me. Also our trip when we visited you and stayed in the cabins camping was fun as your mom and dad and you and mike introduced us to many “firsts”!!! Aunt Jane will always be remembered for her warm heart, beautiful face and gentle ways. Our thoughts and prayers are with all of you. I am sure Uncle Lou was there to welcome her and guide her. 💕😭

“ I was really blessed with a great mom. She was always there for me even when she did not really understand or know how too. I always felt loved as long as I can remember even when we might have disagreed. My mom had strict rules ... I can remember pushing the vacume when it was taller than me and going to bed in the summer when the sun was still shining bright because it was 8pm and that was bed time. She took us to church and prayed with us every night. My mother was never too harsh with us and always led by example as to what a great character should be she led by example. I truly had a great mom that I will miss the rest of my life. I wish everyone could be lucky enough to have a mother like mine. I will always love her.
