“ My name is 'Dino'Diane Perdew. I have reason to believe that Ms Janet Ruth Fees was a not so distant relative/ first cousin of mine. Her mother, Ruth Ann Thompson, and her sister, Sara Jane were my father's sisters whom they never knew they had nor did I until my father told me as an adult. Robert 'Tub'Thompson was his father which made them my Aunties. My father was born in 1917, their older brother. Wish I could have met them before their passing and their children, my cousins. My condolences to your family for your loss. I do not wish to interfere with your family, but I understand there are two other children , Rebecca Jean Fees and James Hunt Fees. And Sara Janes children, Michael, Lance and Eric. If they or any other family members would like to contact me I would be so pleased to hear from anyone of you. I will share my story and how I came to know about this side of my family. I've been searching on an off for many years. And just today saw this post of Janet's passing. My e- mail address is dinosummers@yahoo.com. (Dino is my AKA since I was a child). Married name was Summers ,but divorced. You may find me on FB as Dino Perdew (maiden name). I live I'm San Diego, Ca. and I have been a nurse for 42 years with two grown kids. I'm pleased to have found this only site where I have any chance of communication. I hope your family receives this post. Sincerely, Dino Perdew-Summers.
