“ I met Janet in 1988 before we got married. She came to visit us in Houston, TX and Jenks, OK and was always very courteous with thank you notes and gifts. She had three sister-in-laws and always complimented us our cooking skills. We could all see how much her brothers cared for her and wanted the best for her. Her family was made stronger by her faithful Christian values. She was the only Laughry child living in Bartlesville and she helped care for her Mother and Father without fail until they passed. Janet tried to do what she needed to, since first meeting her, she was unflinching in her intentions to do the best.

Praying the family stays strong during this time of grief.

“ *My mom was always there for me no matter what. She was and always will be my number 1 fan and my biggest supporter. One of the happiest moments I remember was the morning I turned 8 years old and she was by my bed waiting for me to wake up and open my gifts. She explained that her and Papa picked out these stuffed animal tigers. I named them Raskles and Cocoa. They will always be a reminder of her pure heart and true generosity. She always gave me everything that she had to make me feel loved.*
