“ Janet, you were one of the sweetest friends I have ever had the joy of knowing. You were always there for me with an encouraging word, a smile, and you gave the best hugs. I will always cherish the friendship that we had and will do my best to shine light on others, though it will never compare to the light that you brought to my life. Rest in peace my dear friend, I will see you again. Love you.

We had the privilege to know Janet for many years. She worked for us for 13 years and during that time became our dear friend. She had a special way with our patients. They loved her. She was such a hard worker and her devotion, loyalty, and respect was above and beyond expectation. We love, Janet and her family. We will see you again, Janet. Until then, we will always carry a special place in our hearts ♥
