“ *Mr. and Mrs. Benne were our parents' next door neighbors for over 40 years. She and Mr. Benne were our "in-town grandparents." I have so many memories of them being there for us, giving us gifts and always caring about our lives. I saw Mrs. Benne this spring, she asked about my son and hugged me, like always. She was a wonderful woman and she will be missed.*

“ *I grew up a few houses away from Janette and Fred. They were like a second set of parents to me. I'll never forget taking care of their poodle "Whiskers" when they were away from home. My prayers are with your family, Janette.*

“ I really enjoyed seeing Janette whether it be at church or in Walmarts. She always stopped and loved to chat. She was very proud of her membership in Jane Phillips Sorority when she worked at Phillips. She was so supportive of the Hospice Program and we were just getting started and needed donations. She helped me get a grant from her sorority.

I remember how she grieved when her husband, Fred died. But she got through it and went on living a productive life!

She loved talking about her family and was always so excited when a wedding was anticipated and then her grandchildren came. She was so fortunate to have had the beautiful family she had . They are really wonderful people, and were supportive of her all her life!

I am so happy our paths crossed in this life! I will miss this sharp, neat lady, and a good friend to me.

David and Carolyn, and family, please know that you are in our thoughts and prayers, Judy and Fred Pecher

“ *Ken and I will miss Janette; she was a lovely lady. We often sat behind her (and family) at mass on Saturday evenings at St. James Catholic Church. Will miss her smile, her independence, and her friendliness. Prayers for the family. Donna and Ken*
