“ Aunt Janice was so excited when I got engaged to Kenneth. She would say everytime I saw her now I need to find a man then laugh real big. She was always wanting to chat just about anything. Hate that I was unable to go to service but will always be missed.

“ Janice, my oldest sister, will be missed greatly! I have many memories of her while we were growing up. She would help our Mom look after us 3 younger kids, especially us twins boys, with 2 girls and twin boys I'm sure we were a handful for Mom. As adults we were always glad to see each other and also liked to check up on each other over the phone. I didn't expect to lose her this soon. I know all of us, her whole family, will miss her! I will look forward to seeing her again one day.

God Bless,
Terry Friend

“ Aunt Janice hand made our wedding blanket as a present. Any time we saw her we would always chat and she would always hug me and Karisa and tell us how much she loved us. She would hug our 3 children and just hold them. That meant the world to me and my family!

Gone too soon but never forgotten
