“ *Janis was always so nice to me. I remember thinking she was so beautiful. I'm glad she approved and encouraged my friendship with Tonya.. I will miss the way she would greet me with, "Oh! Sandy!". With her arms outstretched for a hug. I will miss so many other things but mostly, I will miss her. My love to the whole family.*

“ When we came to visit at Adam's Parc, then you rushed me out to make sure I made it to school on time. You were always hounding me about getting to school, I definitely wasn't skipping on your watch.

“ I will miss your beautiful smile and your big warm hugs. Mom had such a big heart she loved babies and all her pets so much. I know that she is in heaven right now taking care of all the babies she can. The good Lord has a plan and I'm sure it was for her to be surrounded in the spirits of children. I loved my mother dearly and will miss her greatly.
