“ I have so many wonderful memories of Jason I will always treasure. I still have the valentine he made me in kindergarten, it was to be for mom&dad, but Jay doing it his way put Mom & Dad on the side & aunt Charlotte across the top ❤️ Jay has always had a special place in my heart. I treasure memories of him coming to my house as a kid even though we knew something would get broken 😞 I treasure a birthday lunch with Jay & a day at Tall Grass Prarie. Jay was just himself so you could be just yourself with him. I love you & am so blessed to have you in my life. God bless
