“ I did not know Jason personally. My husband knew Jason, they both worked at the hospital. I have garage sales frequently and he and his grandmother would always come to my sales. I didn't know him, but we always had a great time. Jason was always kind, sweet and we laughed a lot.

He will be missed by many. My sincere sympathy and condolences go out to his family!

“ Jason and I use to work together. He was always happy and we had so much fun laughing and joking. He had the biggest smile. He always talked about his grandmother Sharon and her beautiful flowers. I told him my favorite flower is the Iris, one day he brought me a whole bag full of Sharon's Iris from her garden. He was so happy to finally be closer to her. He will surely be missed. RIP my friend.
