“ *Jaylean was a wonderful comforter to my daughter, Molly and I when Molly's daddy died back in 1995. We sincerely felt her love and comfort during is tragic time. Everett was wonderful to Molly as her coach on T-ball field. Her presence will be missed greatly. You are home dear one.*

“ *Jaylean was one of a kind. She had the sweetest smile for everyone, no matter how bad she felt. We will never forget her and her kindness. We went over to see her one day a few months ago. She and her Everett were sitting next to each other holding hands. I just remember thinking how sweet, romantic, and in love they are. We love you Jaylean.*
