“ *A great lady. We had many laughs together and enjoyed working at the livestock shows. So glad she was there to put out the flame in Dick's pants when they caught on fire from getting too close to the heater. God has another angel.*

“ *My deepest condolences to your family. As a dear friend of Robins I was blessed to know Jeaneta. She was full of life with a wonderful heart. All the fun pictures of her Robin took will forever live on in her name. I remember seeing her and she embraced me with the best hug ever at Jack's funeral like I was a long lost friend. She was such a strong woman and raised some wonderful children. Love and prayers to the family.*

“ Jeaneta was such a special soul who will be greatly missed by all who had been privileged to be a part of her life. She was in my "family" when I was born and we shared so many memories along the way. That endearing laugh and joyfulness will be her lasting legacy.

“ I am so proud to be the granddaughter of this wonderful amazing lady. She was the best grandma a girl could have. She was always so encouraging and supportive with all my school work and always cared how I was and always made sure I was doing ok, even though I was about half the country away in Oregon. She has one of the best laughs out there. She was always so happy and always knew how to have a good time! I love you Grandma Annie, you will be missed but I know you are always with me! You taught me more about life and how to treat others than you will ever know. I am saying prayers to the rest of my family and extended family and to all the people's lives my grandma has touched.
