

Jeffery John Hubler

January 8, 1965 - June 3, 2025

Jeffery John Hubler, 60, of Bartlesville, OK, passed away in Bartlesville, OK on June 3rd, 2025.

Jeff was born in Bartlesville in 1965 to Don and Margaret Hubler. Jeff was known for a lot of things throughout his life, but here are just a few words and stories that described him well.

Jeff was always adventurous and wanted to see the world and experience it to the fullest. Whether sky diving or swimming with sharks, there was never an activity too big or scary for Jeff to take part in.

Jeff always had a desire to provide for his family. He'd work himself til exhaustion if it meant we could have a life that had little to no financial worries. He would look for every opportunity to provide convenience to our lives regardless of the time or day.

Jeff was always a construction guru and knew how to fix any and everything. When things wouldn't work around the house, Jeff knew a guy or had the tools needed to fix whatever wasn't working right.

Jeff made mistakes as we all do, but when it came down to his faith he'd always turn to God for forgiveness and redemption. Jeff loved Jesus and knew

Him as the Lord and Savior of the world. Because of this we know he is running around without the pain of this world attacking him anymore.

Jeff graduated from Sooner High before attending OSUIT to receive his associate's degree in electrical work prior to becoming an employee at COP and ultimately owning his own construction company here in Bartlesville.

Jeff was preceded in death by Don Hubler (Father) and Johnathon Hubler (son), and is survived by Margaret Hubler (mother), Mike Hubler (brother) and his wife Bonnie Hubler, Daniel Hubler (son) and his wife Emily Hubler.

The memorial service for Jeff will be held at Spirit Church on July 11, 2025 at 2:00PM.

Please continue to keep the family in your thoughts and prayers.

“ Jeff and I have been friends since elementary school days at Wilson, here in the last few years we met and ate out together, texted a lot, talked hot rods, our sons, and a lot about architecture and construction since I got my degree in interior architecture. I'm gonna miss him. Gone too soon buddy. RIP my friend.

“ We were deeply saddened to learn of Jeff’s passing. He was a friend who was always willing to lend a helping hand. When his boys were young, and we got a heavy snow in Bartlesville, he would bring them over to shovel our driveway. He said he wanted to teach his boys by example the importance of helping others.

It was because of Jeff that we were able to move into a new home. We wanted to move but couldn’t sell our home. Jeff took our house as a trade in for one he had built and had not sold. After that, he would often drop by to see if we needed help with anything. We enjoyed living in the house until we moved from Bartlesville. It was a great blessing!

Jeff Hubler will be greatly missed! Praying for his family. 🙏❤️

Jeff grew up around the corner and was a friend to my boys. He asked me for some advice after his Dad passed he must not have liked what I said for he never asked again. Our family loved him.

“ *Sending prayers of comfort to Jeff's family. Knew him since childhood. He used to hide on top of our vehicle and slide down the windshield to scare the bejeezuz out of my mom as we drove down the street back in the 80's. He was a hoot to have around! -Michelle (Foust) McGuire*

“Went to school with Jeff from 7th grade forward. Quite the character back in those days. Good guy. He certainly made myself, and many others laugh, a lot. Blessings to Jeff's family and friends. May the Good Lord bless you all.
