“ I was so shocked and saddened to hear of Jeff's passing. I met him when I came to work for Mertz. I had never worked in a plant before and Jeff was one of the people who welcomed me, became my friend, and smoothed out the rough road. He made me laugh every time we had a chance to visit. He would do anything for anyone he called his friend. day or night. And oh, how he was proud of his family. Loved to say wonderful things about you all. He was one of a kind. He leaves a big hole behind, God bless him and your family.
