“ *I will miss the "Drozman". He and I worked in the car business on and off for several years. He was an inspiration to all of his co-workers with a work ethic that had no peers. Always at the top of his game and always made his numbers. Jerry was a great man and I will miss his friendship and inspiration. To his family, my condolences for your loss. May angles cover you all with love and understanding. Drozman was one of a kind!*

“ *I remember roping with Jerry, quite a few years ago. He was a good guy, that was always willing to share his words of wisdom.*
