“Where to begin, my friend. Our paths crossed somewhere in the late 80's. You've been my friend and 'big brother' for many years. I looked forward to our annual calls of birthday wishes and extended humor. You could make anyone laugh, even when they weren't prepared for your jesters.

You and Deana made the best Santa and Mrs. at our Christmas square dance parties. Your love and caring exuded and was so inclusive. You loved your family and was never shy of sharing how proud you were of ALL of them.

Always willing to extend a helping hand when someone moved or needed a little 'barn raising' party. Your protective spirit was so 'Jerry'. When Deana and I drove a U-Haul from OR to OK, we got there safely with your daily coaching. Oh wait, multiple times per day, coaching.

You kept your 'face up' for all of us even when the hand you were dealt had no cards to work with. Your health was a challenge and you met it head on. Such an example of strength and stamina.

You've been a beam of sunshine, a loving and caring spirit, a kind and generous man that shared warmth and friendship with anyone you met. You were an example of kindness and pulled us all in to experience your warmth and love. You left a legacy and have many admiring friends because of 'who you were'.

Rest well, my friend.

Love, Mary Carnes

“ Jerry was the most passionate & caring Man Of God he always had a smile! I've been friends for a very long time! I was like 10 or 11 maybe younger when I met Jerry & his family! My Mom & Jerry's Mom became best friends & I became best friend with his daughter Tammy & his Niece Debbie & they took me in as part of their family! Jerry was funny & he was always teasing me about something & I wouldn't have it any other way! He was a strong man & God brought him through so much & he never gave up & always gave God the glory! It was an Honour to call him my second Dad & Friend!

“ Jerry was one of the nicest, sweetest person I have ever known. He always went out of his way to speak to people and made them feel welcome at our church. I remember after Floyd passed away he hugged me and reminded me that Floyd will always live in my heart. He will always live in Deana's heart. I'm so glad I got to attend his birthday party at WOTF and I'm forever grateful to have known him and call him my friend. 💕
