

Jessica Rose Thurman

January 21, 1979 - June 20, 2024

Jessica Rose Thurman (Dillion) won her 12-year courageous battle with cancer to be with her Heavenly Father on June 20, 2024. She was born January 21, 1979, in Tulsa, Oklahoma to her parents Edward Joseph Dillion and Rebecca Ann Cryer. She attended Collinsville schools until the 5th grade she then went on to Bartlesville schools and graduated in 1998. She had many accomplishments and awards, such as Queen of the Jack, purchasing her own home, as well as her career as a fully licensed insurance agent for State Farm for over 10 years. Jessie was the life of the party. She brought her vibrant personality and feisty sense of humor everywhere she went. She loved fishing, golfing, riding motorcycles, hiking, lake bumming, driving backroads, exploring dive bars, attending concerts, shooting guns, online discourse, movie nights, and hosting friends and family. Wherever Jessie was there was light. She always made the days better and the love stronger.

Jessie rejoiced in her important milestones such as the birth of her daughter Josslyn Rose in 2005. Family was everything to Jessie. Although being a single mother was not easy, it was her biggest joy in life.

She is preceded in death by her Nanny Coleen Dillion, her father Joe Dillion, and her grandparents Clyde and Joyce Cryer.

Her memory lives on with her daughter Josslyn Rose Thurman, her mother Rebecca Ann Cryer, her sisters Melissa Crawford (Branch) and her daughter Chelsea Crawford, Amy Haddock
