“ *May all continue to enjoy her memory and the love she gave. The Almighty has promised in his word to. . "supports all who are falling And raises up all who are bowed down." May that thought be a source of comfort for the family. Losing our loved ones has to be reason for us to feel devastated for sure.*

“ *Mom always called her Jody, and she was such a true friend. Jody's home was always perfect, she had wonderful taste and was always smiling. Throughout my life, I loved your Mom, she was such a comfort to me on many occasions, and no one was ever more proud of her sons. Raymond and Steve she was amazing and will be missed. My deepest sympathy to your families.*
