“ *Well it has been a few days now since my Jo went to be with The Lord. I know she is happy and enjoying her much needed and deserved vacation. I also know she is so overjoyed by the out pouring of love that has been shown her family. What a wonderful life my Jo lived she set the bar high for how to love Jesus and others..... Jesus said they will know you are mine by the Love you show others No doubt my Jo loved all she encountered and was loved or feared by all she encountered Lol To say my life has forever been changed by the love and wonderful friendship ... Sisterhood ... we have been so blessed to share would be an understatement! I already miss her like crazy and can't wait to spend eternity with her and all those gone before..... I understand today more then ever that we are just passing through And heaven is truly the prize! I will never look at life the same Jo I miss you this is one trip you took without me darn you! I will catch up someday till then I will take care of business and try todo it in JoJo Fashion. Love you wheezer*
