“ *Joanne and Merlin were dear friends of my own grandparents (Jo Ann & Hank Gray) in addition to being like second parents to my dad, Shan Gray. I have fond memories of visiting the Clarks in Bartesville. They were known for their immense intelligence, yet so humble! They always helped me have a blast in Bartesville while my dad was with the Arts Council. Their son, Brad and his family are very good family friends. All of the memories of the entire Clark family I will cherish all my life. -Evan Gray Hill*
