“ I am still at a lose for words. For 30 years Jody was a part of my life and family. We had tons of adventures some good some bad. I can remember shortly after we started hanging out i think we was 14, one time we were able to take every bit of furniture out of my brothers room with them sitting there playing Nintendo. We would spend hours (when we was teenagers) playing nintendo, D&D and harpoon. I will miss you bro more then i can ever express. Until we meet again.

I got to meet Jody a few times, enough I could see he had a huge heart, just wanted to let his family know, he's not gone, you will see him again, I'm sure he will be at the gates to greet you,
